PREMIUM CERAMIC FILM
SANDING ROLL

Technology engineered with high-performance ceramic grain. Cut 40+% faster and last longer than conventional abrasives

The ceramic grain paired with the polyester film-backing provides consistent, even sanding resulting in a smoother, more uniform finish.

Box Roll

Width: 7cm - 2 3/4"
Available in Sticky and Hook and Loop
No Holes

Hook and Loop Length: 12m - 13yd
die-cut every 7cm

Sticky Length: 18m - 20yd
without die

Available Grits
80-180-320
